Statement Under Rule 3.73

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

The assignee of the above captioned divisional application, the United States of America as Represented by the Secretary of the Navy, a U.S. Government Instrumentality, asserts that it is an owner of an undivided 100% interest and has the power to prosecute this application. A chain of title from the inventor of the parent application, Application No. 09/452,855 filed December 3, 1999 to the assignee is shown by virtue of an assignment from John P. Chute to the United States of America as Represented by the Secretary of the Navy, which is attached. The document was recorded in the United States Patent and Trademark Office at Reel 013139/0055.

The undersigned, whose title is supplied below, is authorized to act on behalf of the assignee.

Respectfully submitted,

By
